Examination Score Report**Venkata Sai Madhav Kaza****Oracle Testing ID:** OC2321720

1Z0-808 Java SE 8 Programmer I

**Exam Date:** 16/04/2022**Registration:** 419205991**Center ID:** Proctored**Your
Score:** 78%**Passing
Score:** 65%**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Apply encapsulation principles to a class
- Apply the static keyword to methods and fields
- Create and invoke a method that throws an exception
- Create and use while loops
- Create executable Java applications with a main method; run a Java program from the command line; produce console output.
- Create if and if/else and ternary constructs
- Declare and initialize variables (including casting of primitive data types)
- Declare, instantiate, initialize and use a one-dimensional array
- Declare, instantiate, initialize and use multi-dimensional arrays
- Use Java operators; use parentheses to override operator precedence
- Use abstract classes and interfaces
- Use break and continue
- Use super and this to access objects and constructors

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
 - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
 - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
 - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
